2022-2023
ISD 279 OPEN-ENROLLED STUDENT TRANSPORTATION REQUEST FORM

When students are approved to attend a school outside of their regular attendance area, transportation is the responsibility of the parent/guardian. However, transportation may be provided from an existing bus stop that serves the approved school under the following conditions:

1. The student registers for bus service each school year and is approved to use an existing bus stop.
2. **Space is available on existing bus routes**.
3. Parents accept ultimate responsibility for ensuring that their student can get safely to and from the assigned bus stop.

Students **MUST REGISTER** to use an existing bus stop that serves his/her approved school by completing the form below and returning it to the Transportation Department by **August 1 of each year**.

Postcards with each student's bus stop information will be mailed in late August. **Service is contingent on bus space availability**.

Note: Existing bus stops are located within each school's attendance area and are not guaranteed to be in a convenient location for your student. From time to time, enrollments change, bus routes change, and available seats on bus routes change.
Consider your options carefully if your student is dependent upon District transportation to attend school.
